

Message Flow Details

MM00029 - Report to Supplier of Possible Irregularity

Market Message Information

Market Message Reference	MM00029
MM Description	A report of the existence of a possible irregularity which may require further investigation by a Revenue Protection Service.
Local Catalogue Reference	D0136
Version	001
Notes	Tampering Code is a general guide to the nature or symptoms of the suspected irregularity. Additional information should be provided wherever possible. Though all of the address data items included in this flow are defined within the structure as being optional, the address itself is mandatory and must be included in the flow. The use of any individual address item cannot be made mandatory as, in the absence of an agreed address structure for all flows, an address may be constructed from any combination of the Address Line and Postcode items.
