Message Flow Details

MM00119 - Request Installation of Token Meter

Market Message Information

Market Message Reference	MM00119
MM Description	A request is being made for the installation of a token meter and the required settings are being provided.
Local Catalogue Reference	D0216
Version	001
Notes	1. Previous reading/balance may be provided for meter removal request to allow installer to calculate settings to be applied to new meter. 2. Previous reading and date only required for a change from a credit meter. Though all of the address data items included in this flow are defined within the structure as being optional, the address itself is mandatory and must be included in the flow. The use of any individual address item cannot be made mandatory as, in the absence of an agreed address structure for all flows, an address may be constructed from any combination of the Address Line and Postcode items.
