Message Flow Details

MM00140 - Revenue Protection Report on Action Taken

Market Message Information

Market Message Reference	MM00140
MM Description	A report by the Revenue Protection Service on the outcome of an investigation.
Local Catalogue Reference	D0239
Version	001
Notes	For those investigations where revenue recovery has been pursued, a detailed report will be submitted to the Supplier. Though all of the address data items included in this flow are defined within the structure as being optional, the address itself is mandatory and must be included in the flow. The use of any individual address item cannot be made mandatory as, in the absence of an agreed address structure for all flows, an address may be constructed from any combination of the Address Line and Postcode items. Where the Meter Operator is informed via this flow the Meter Operator Informed Indicator should always be set to T (Meter Operator Informed)
