Programme (Carl Moyden)

15 mins

Recommendation on approval of SIT Non Functional Test Approach & Plan v0.7

The SITAG are requested to advise the SRO on whether SIT Non-Functional Test Approach & Plan v0.7 should be approved, noting the changes from v0.6 that was previously recommended by NFTWG.

DECISION

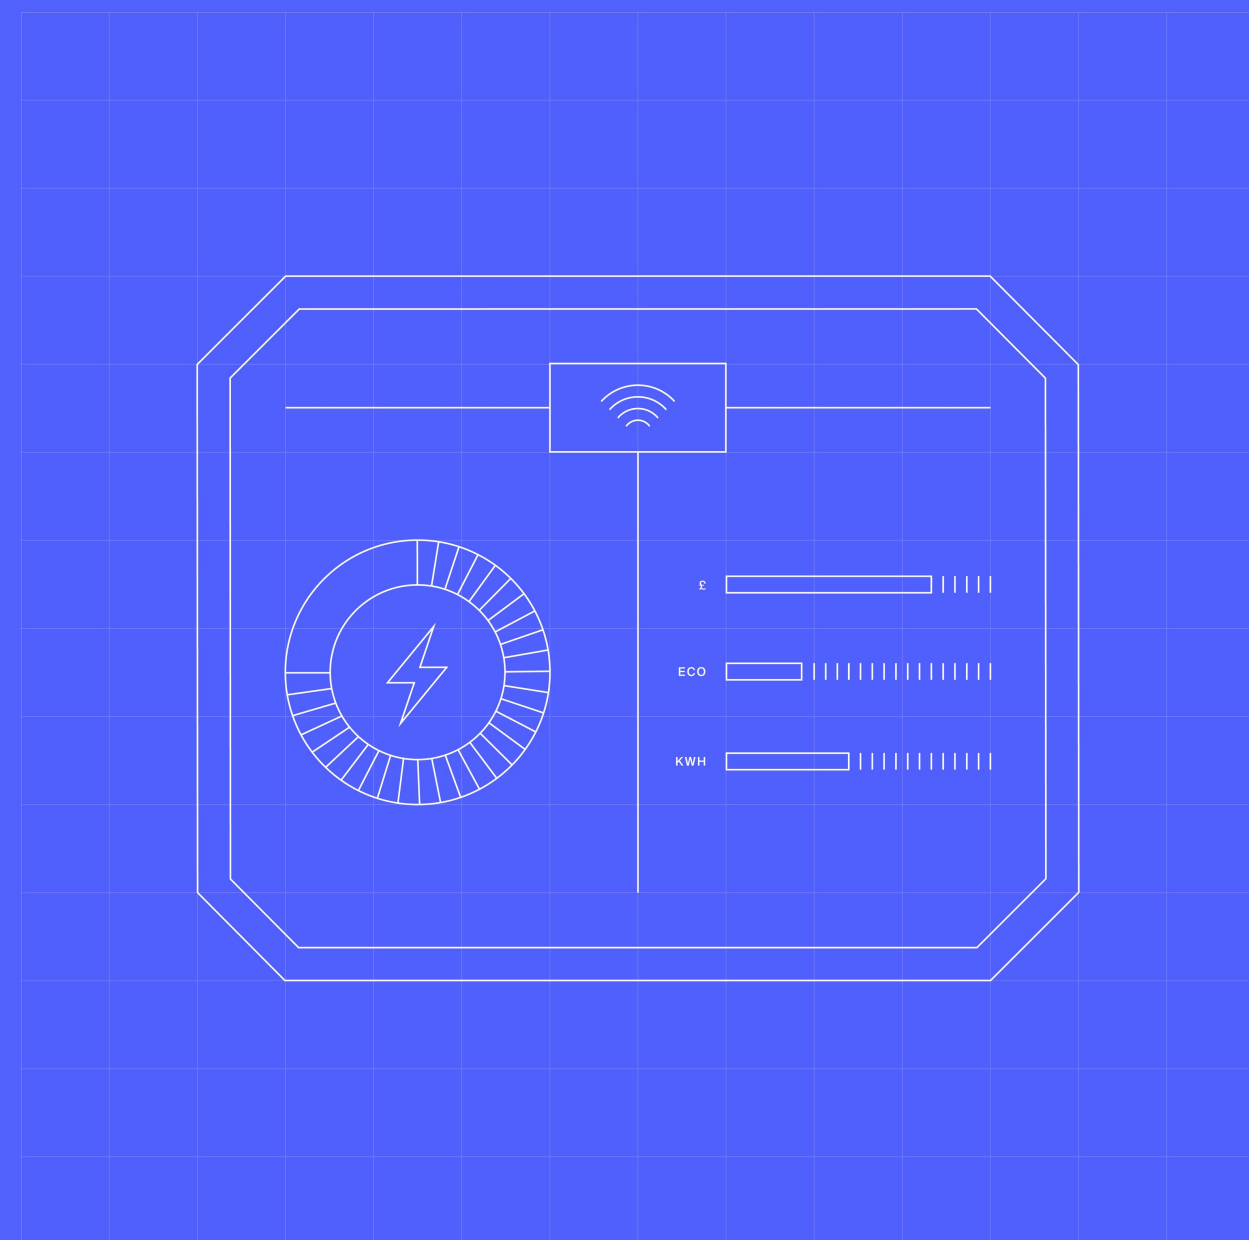

SRO to approve/reject SIT Non-Functional Test Approach & Plan v0.7

SIT Non-Functional Test Scenarios Theme 1

DECISION: Recommendation on approval of SIT Non-Functional Test Scenarios Theme 1 v0.4

Programme (Carl Moyden)

15 mins

The SITAG are requested to advise the SRO on whether SIT Non-Functional Test Scenarios Theme 1 v0.4 should be approved. These have been presented previously to NFTWG with no comments noted at the time, but not formally been put forward for recommendation previously due the deferment of the Approach and Plan, which they are consistent with.

DECISION

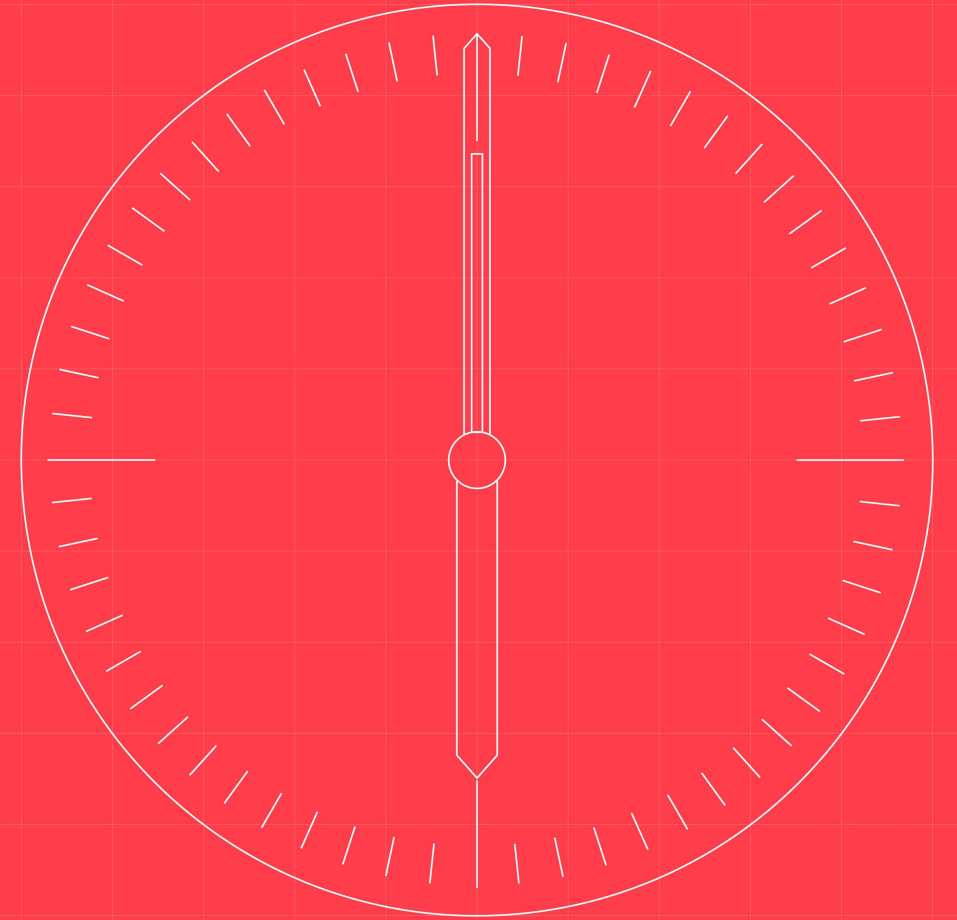

SRO to approve/reject SIT Non-Functional Test Scenarios Theme 1 v0.4
