2 Introduction

These are the September 2025 release notes for updates to the MHHS System Integration Testing Functional Test pack.

This release note covers updates to a select number of Functional Test Scenarios and Test cases. The changes made are not material and do not affect the functionality or test area, nor do they invalidate the testing undertaken previously. The updates are cosmetic in nature and provide clarification or readability enhancements.

3 Overview

This document communicates changes to previously issued content. It addresses:

1. Cosmetic changes to the test cases to correct grammar, spelling, and clarify ambiguous steps and acronyms of functional test cases.
2. The changes have been made to 47 Scenario files, covering 124 test cases across 8 themes
